**ORDER DENYING DEFENDANT’S MOTION TO EXPUNGE RECORD (DOC. 12)**

---

Now before the Court is Defendant’s unopposed *pro se* motion to expunge her criminal record (doc. 12). In the motion, Defendant explains, “I’m in the medical field and this case is causing me to be turned down for jobs.” *Id.* at PageID 15. Recognizing that this criminal matter was dismissed at the government’s request, *see* doc. 10, and further recognizing that there is no formal expungement procedure in the federal courts, *see United States v. Lucido*, 612 F.3d 871, 873-77 (6th Cir. 2010), the Court **DENIES** Defendant’s motion (doc. 12). Nonetheless, for good cause shown, the Court **ORDERS** the Clerk of Courts to provide Defendant with a certified copy of the Dismissal Order (doc. 10) so that Defendant may have proof of the government’s request to dismiss the criminal charge against her in this case.
